Financial Policy

We invite you to discuss with us any questions regarding our services. The best dental health services are based on a friendly, mutual understanding between provider and patient.

Our policy requires payment in full at the time of the visit, unless other arrangements have been made with the business manager. If an account is not paid within 90 days of the date of service or financial arrangements have not been made, you will be responsible for legal fees, collection agency fees, interest charges and any other expenses incurred in collecting your account.

I authorize the staff to perform any necessary services needed during diagnosis and treatment. I also authorize the provider to release any information required to process insurance claims in compliance with HIPPA standards.

To the best of my knowledge, all of the preceding answers and information provided are true and correct.
